And that His Majesty's Secretaries of State for the Time being, should not, from thenceforth, prepare any Warrant to pass under the Royal Signet and Sign Manual, for the Purpose of advancing any Person to the *Degree of a* BARONET of Great Britain, until it should appear, by a proper Certificate, that the Family Arms of the Person so intended to be advanced, together with so much of his Pedigree at least as may be necessary to ascertain the Descent of the Title, should have been duly registered in His Majesty's College of Arms; and that the Clerk of the Crown for the Time being should transmit all Patents of Baronets, thereafter to be created, as soon as might be after they should have passed the Great Seal, to the Register of the College of Arms, for the Purpose of an authentic Registry thereof in the said College, which Patent, so registered, should be returned to the Clerk of the Crown for the Use of the Person to whom the same should be granted.
